## ***Just to have fun***

Dill's goal with the Fall Fun Fest is for everyone to have fun. We have something for all ages. Bring hotdogs and marshmallows and roast them over the campfire. We will even supply the roasting sticks. You can also buy hotdogs and smores kits if you need them.

## ***Corn maze***

Come have fun in our 5 acre corn maze. It is family safe, so no one will be jumping out at you, although we cannot keep your family members under control.

## ***Hayrides***

On open admission days, hayrides run every 30 minutes. The hayrides run through pasture, corn fields, and nursery fields, and stop in our pumpkin patch where you can choose a pumpkin to purchase.

## ***School Trips, Scout Troops, Birthday Parties !***

Schedule groups for week days or evening. Semi-private parties are available for evenings.
